Dear Parents,

Assalam U Alaikum

We hope that this letter reaches you both in the best of health and Iman. Like you, Muslim Center Junior High School is committed to providing a safe and efficient dismissal for all students. This can best be achieved by working together. Parents are now required to have an official document on file concerning how you want your child (ren) to be dismissed on a regular school day.

If you plan to pick up a child that normally rides the bus or you wish for your child to use a different dismissal routine than usual **you must send a written note.** Do not rely on your child to tell this information, because children often become confused and ply messages incorrectly. If no written note or phone call (in advance) are received, your child will be send home by his/her usual method of transportation. Last minute phone calls to the office create unnecessary confusion and are not appreciated.

By working together we can safeguard your child from potential hazards associated with all aspects of transportation, both on and off the school premises. You may contact the school of you have any questions. I hope you and your child have a productive and safe year.

Sincerely,  
Mrs. N.Farooqi  
Principal
